

## Suggested Caterers and Cakes

The following lists of Caterers and Cake Companies in alphabetical order are suggestions only. You are not limited to these individuals, but they have either worked on the property knowing how the site works without a kitchen or have had a complete site tour aware of the location to set up a kitchen tent as well as the location of dumpster to dispose all garbage. ALL caterers shall be required to sign a Port Annapolis Marina's "Vender Contract". We reserve all rights of final approval of the caterer selected and equipment to be used for the event.

All caterers must provide a Certificate of Insurance (COI) showing the Contracting Party has in force bodily injury and property damage liability in the amount of no less than \$1million combined single limit, also to include Workmen's Compensation. The COI shall state the additional insured as Port Annapolis Marina (PAM), 7074 Bembe Beach Road, Annapolis, MD 21403. If any alcoholic beverages are to be served, caterer must submit a Liquor Liability Certificate of Insurance to "PAM", Forty Five (45) days prior to the event and a copy of their TIPS or TAM Certification for the person attending the bar. If you don't carry a Liquor Liability Certificate, please inform the Contracting Event prior, so they may obtain a "Host Liquor Liability" from an outside vendor.
